

Attention SINGLES and SINGLES Ministry Leaders:

Do you have a story to tell? Do you have something important to say? Do you have something vital to add to our fellowship of churches worldwide?

At the International Singles Conference in Denver Colorado in September we are looking to fill up to four (4) slots in our main sessions with inspiring and relevant presentations from spirit-filled and gifted public speakers within our Singles Fellowship. Each presentation will be based upon a stand-alone idea that will provide an upward call to those who strive to walk by faith in Jesus Christ.

Length: Final Presentation should be in the 12 to 15 minute range

Media: Media such as Keynote or PowerPoint may be used to help convey ideas, but presentations should not be dependent on overly complicated media

Topic: Ideas can vary – almost anything relevant to single disciples today and should contain both a biblical conviction on the topic and an inspiring personal testimony. What is your passion? Go!

Body: Feel free to use other resources such as quotes, historical figures, scriptures, Bible heroes, historical events, research, legitimate data, etc. to compliment your presentation.

Presenters can be male or female, single or married serving in singles ministry. Presenter must be an outstanding communicator and be able to present their ideas clearly and succinctly, with poise and confidence. Must be an active member in good standing within our fellowship of churches.

To apply for a Presentation slot:

1. Compile the main point or idea as well as the overall flow of your presentation such that you can convey the topic in 2 minutes or less. Include your personal story or testimony that will bring your idea to life! Any relevant data, quotes, etc. can be thrown in, but keep in mind this is just an OUTLINE, not the speech itself.
2. Film yourself communicating your main idea and how your speech will flow. Editing or professional quality filming is not required. Just sit at your laptop or phone and let it fly!
3. Upload your video onto Youtube and make sure you save the link.
4. Email the Youtube link to mjmead70@gmail.com (Marshall Mead, a member of the International Singles Service Committee (ISSC), EDGE Singles Ministry, Orange County CA)
5. Within the email, please include three (3) personal references including your Church or Ministry leader, and (2) other close friends who can vouch for you as a worthy presenter and a faithful disciple! Please include email address and phone number for each reference.
6. **Last date for submissions is Sunday June 29, 2014.** Final selections shall be made by the conference planning committee and delegates serving on the ISSC by July 28th.

1 Thessalonians 1:3 We remember before our God and Father your work produced by faith, your labor prompted by love, and your endurance inspired by hope in our Lord Jesus Christ.

We can't wait to be inspired by your stories of faith, love, and hope!
